

Clap Your Hands

Poem

Clap your hands, clap your hands,
Clap your hands together;
Clap your hands, clap your hands,
Lightly as a feather.

Lift your right knee, lift your left knee,
Lightly as a feather.
Lift them high, lift them low.
All lift knees together.

Tap your right toe, tap your left toe.
Lightly as a feather
Tap the right, tap the left,
All tap toes together.
