

Five Little Monkeys

Fingerplay

Five little monkeys jumping on the bed.
(Hold up one hand with five fingers and
bounce up and down.)

One fell off and hurt his head.
(Hold up index finger, then hold
head in hands.)

Mama called up the doctor, and the
doctor said,
(Make a telephone dialing motion,
then hold "phone" to ear.)

"No more monkeys jumping on
the bed."

(Repeat using four, three, two
and one monkey.)
