

# Here is the Girl

Fingerplay

Here is the girl, and here's her bed;  
(Raise index finger of one hand.)

Here is her pillow and here is her head.  
(Hold palm of other hand out flat. Place thumb  
of same hand on palm.)

She pulls up the covers and holds them tight,  
(Place finger across palm. Wrap other fingers around it.)

And that's the way she sleeps all night.  
(Rock gently.)
