After logging into the site, you can search for your course using the search box, entering just a few words from the name of the course.

Find courses by browsing the categories below, or search by name or keyword:

Search courses:

Then click on the title of the course to enroll. Some courses may require entry of an “enrollment key.” This is a type of password that will be issued to you by your course instructor.

How do I come back to the course?

Once you are enrolled in a course it will appear on a list under “My Courses” in the top menu bar of your screen or in the Navigation block on the left the next time you log in. You can then click on the course to go back to any part of the course.
